

HITACHI - LR150436

ALT23013

 A photograph of a VRG4673 regulator. The component is a rectangular metal housing with a silver-colored top surface. On the top surface, the text "H0212" and "12V" is printed. The component has several pins extending from the bottom and two mounting tabs on the top. A faint "WOOD AUTO" watermark is visible over the image.
